

STARVIZN

Phil Handy Outreach Program

Welcome to Phil Handy's training camp. This program will teach all players, coaches, and trainers how to become better at the game of basketball.

Phil wanted to create an outreach program to ensure everyone had the opportunity to experience a fundamentally sound training session.

Each month starting July 1st, 2018 - Phil & Star Vzn will donate 1-month of free access to 94 students.

"The reference of 94 would be in connection to my beginning of this journey.

94 Feet of Game started all of this for me and symbolizes every player striving to be "as complete of a player they can be." My tag line for 94 Feet of Game was "Everything Inside the Lines." If you are going to play and train, do it as complete as possible. There shouldn't be anything a player cannot do once they step in between those lines which are 94 Feet from baseline to baseline."
